ANZAC DAY
25th April
2018

As residents of Ward 2 Sanctuary Point for over 30 years, Kate and I applaud our Shoalhaven Council, for the dedication and perseverance of our elected Councillors and Mayor and most importantly, for the backbone of the council... The Council Staff, who do so much! Often without recognition, as they go about the running of the Council, which Kate and I have and always will appreciate, as the Council ... **We Call Home!**

During the reconvened Council meeting on the 3rd April 2018 a Notice of Motion CL18.52 was discussed for and against the motion of which I had made a deputation **For the Motion** on the meeting of the 27th March 2018... This motion was for the **Various issues - Sanctuary Point & St Georges Basin.**

I have included below, an email extract I sent to a number of councillors, who, I believe, like us, thought enough is enough and I believe the extract is self explanatory, who I directed my email to and the backing that the Notice of Motion received, from eight of the Councillors who, I would like to think, could also see... Enough is enough, however one Ward 2 Councillor thought otherwise and voted against the motion.

Ladies and Gentlemen,

It is with the appreciation and sincere thanks, that Kate and I formally acknowledge Clr Bob Proudfoot for his lodgement of his notice of motion CL18.52 **Various issues - Sanctuary Point & St Georges Basin** and the support he received from Clr Patricia White and Joanna Gash During the meetings we had with them prior to the lodgement of CL18.52 and their consequent passage through council meetings on the 27th March 2018, where I made a deputation to council on the issue and the reconvened meeting on the 3rd April 2018, where I am pleased to say that the Motion was passed by a resounding eight (8) **for** and one (1) **against** the motion from the nine councillors present on the 3rd April 2018... **Clr Gash, Watson and Guile lodged their apology to attend on the night.**

Councillors for the motion : Ward 1 Annette Alldrick, Nina Cheyne and John Wells - Ward 2 Mitchell Pakes - Ward 3 Kaye Gartner, Mark Kitchener, Bob Proudfoot and Patricia White.

Councillors against the motion : Ward 2 John Levett.

Looking forward to Council follow-up of this successful motion.

Respectfully yours,

Dennis O. Williams

CL18.52 Notice of Motion - Various Issues - Sanctuary Point & St Georges Basin

Purpose / Summary

The following Notice of Motion, of which due notice has been given, is submitted for Council's consideration.

Recommendation

That following a meeting with several concerned community members, that the ensuing list of requests be given serious consideration for inclusion in future budgets, work's programmes and funding applications. Staff would need to provide their professional input and report back to Council with a realistic way forward:

1. Traffic calming measures on Larmer Avenue, Sanctuary Point on the approach to Cockrow Creek bridge where the 70 km/hr becomes 50 km/hr, be installed. Local residents are adamant that motor vehicles, garbage trucks and delivery wagons are travelling across the bridge at speeds in excess of 80 km/hr, with noise levels being intolerable and the risk of accidents high.
2. Urgent road maintenance works be carried out on The Park Drive at, Sanctuary Point at various locations, but in particular from Larmer Avenue to Boronia Avenue and to Boronia Avenue itself.
3. A roundabout be constructed at the corner of Sanctuary Point Road and Larmer Avenue/Paradise Beach Road, Sanctuary Point.
4. Acknowledge and promote Palm Beach as the iconic beach that it is, and support this acknowledgement with enlightened expenditure on infrastructure.
5. Upgrading of the Basin Walking track through Sanctuary Point, as proposed in 2015.
6. Provision of at least 3 new barbeque shelters where users can also enjoy their meals under cover, similar to the way that it occurs in other locations such as Mollymook, Plantation Point and Sussex Inlet, and who knows how many other locations within the Shoalhaven.
7. Removal of the dangerous, sharp and pointy, introduced grasses around the trees and seating areas throughout Ray Brooks Reserve, Paradise Beach and other St George's Basin public foreshore reserves.
8. Reconsideration of the dangerous stairs, recently constructed from Ray Brooks Reserve to the 5 star, "By the Beach B and B," with only a one-sided handrail, with a long drop to the bottom. Modification at the top also needs attention.
9. Removal of the large sand and wrack piles from alongside of the toilet block together with the large piles of mulch.
10. A serious review of the deterioration of the ageing ramp from Greville Avenue to the bottom of Ray Brooks Reserve.
11. The construction of a boardwalk to allow a safe continuation of the Basin Walking track around it's original course at the base of the cliff beneath and around Red-head Point, as properly shown on Google Earth. This would make it available for everyone to complete their walk or ride in safety, including the disabled, mothers with prams, mothers with children, children on bikes, older citizens requiring a level platform to walk on, sports' enthusiasts, as well as the future influx of tourists.
12. A safety audit regarding the impact of foreshore vegetation on the capacity of parents and carers to adequately supervise young children whilst they swim at beaches such as Palm and Paradise Beaches, Sanctuary Point.

The Premier of NSW, Gladys Berejiklian MP and Shelley Hancock MP, Member for South Coast have unveiled designs for the New Bay & Basin Police Station and development approval has been granted for a fast-track construction to commence in June 2018 and should be operational ready within in twelve months.

Thank you Premier... well done Shelley!

GREEN LIGHT FOR NEW SOUTH COAST POLICE STATION

Premier Gladys Berejiklian and Member for South Coast Shelley Hancock have unveiled designs for the new Bay & Basin Police Station, which has been granted development approval and will undergo a fast-track construction.

The new \$5 million police station will be located within the retail precinct at Sanctuary Point and feature state of the art facilities – putting officers right at the heart of the community they serve.

Construction of Bay & Basin Police Station is expected to begin in June and the building should be operational within 12 months.

"The NSW Government is proud to support frontline officers with the very best resources," Ms Berejiklian said.

"After years of inaction from Labor, the NSW Liberals and Nationals are delivering the vital infrastructure growing communities need. I am very happy to announce this important milestone for the South Coast."

The new police station at 187-189 Kerry Street will feature:

- A van loading dock, charging facilities and an interview room;
- Modern breath analysis and drug testing facility and equipment;
- CCTV and audio visual links (AVL);
- Modern workspaces for taskforces, detectives and visiting traffic and highway patrol; and
- Secure parking for police vehicles.

Mrs Hancock said she was thrilled construction is due to commence soon.

"This new police station is a vital asset for the local community. This is an important development for the South Coast Police District," she said.

"This state-of-the-art building will provide police officers and staff with the modern and spacious facilities they need for generations to come."

Sanctuary Point Library

At this week's Ordinary Meeting, Council determined to construct a District Library at Sanctuary Point, as a matter of priority.

The library had originally been proposed through a draft Masterplan to form part of the future Bay and Basin Community Hub and be located in Vincentia. This draft Masterplan will now be redesigned to remove the library from this location.

Investigations will be undertaken to find a suitable site within Sanctuary Point for the District Library.

If you were Mayor of the Shoalhaven, what would you do to make the Shoalhaven a better place? Here is your chance to get your views heard directly with Amanda Findley, Mayor of Shoalhaven City Council.

Mayor Findley is inviting children and young adults from the Shoalhaven aged between 13 and 21 years to join her for a chat and to share their ideas about the future of the Shoalhaven.

Mayor Findley is encouraging the youth to come along and take part in her afternoon chat during Youth Week which is in the school holidays. "I want to invite the future ratepayers of the Shoalhaven to have a chat over pizza and to share how they wish to live, work and play in our area over the next five years.

Free pool entry and pizza is included for children that participate. The chat over pizza will be held across the Shoalhaven at Shoalhaven Swim and Fitness Centres. Young people are encouraged to register to attend, come on down, have a swim before or after the catch up, be heard and help shape our future.

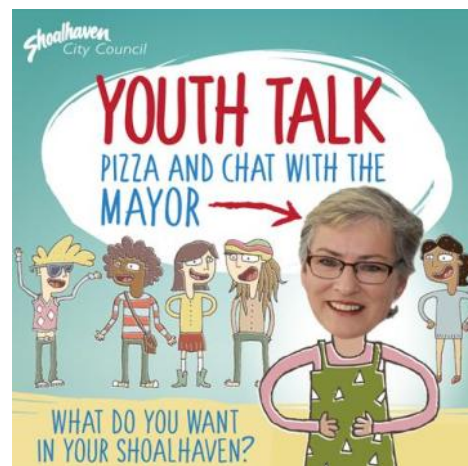

Sessions are between 2pm - 3pm at the pool meeting room at:

Nowra Aquatic Centre – Monday, 16 April.

Bay & Basin Swim and Fitness – Thursday, 19 April.

Ulladulla Leisure Centre – Friday, 20 April.

COFFEE WITH A COP

Yes, I'm back from holidays and I am sure that my eight or nine followers are ecstatic that "On The Beat" has returned.

This week I have some information that I know you have been waiting for since last year.

I am proud to announce that this year's "Coffee with a Cop" will be taking place at a number of yet to be announced locations within the Shoalhaven and beyond.

I'm excited! Coffee with a Cop will be held on Tuesday, May 8, so there is a bit over six weeks to go. If you have been living in a cave for the last year you may not know what I am talking about, just like my wife. She never knows what I am talking about.

Let me explain; On Tuesday, May, 8 police officers from the Shoalhaven Local Area Command and community members will come together in an informal, neutral space to discuss community issues, build relationships, and drink coffee. All community members are invited to attend. There will be a number of events on the day.

Coffee with a Cop provides a unique opportunity for community members to ask questions and learn more about the police work in Shoalhaven neighbourhoods. The majority of contacts law enforcement has with the public happen during emergencies, or emotional situations. Those situations are not always the most effective times for relationship building with the community.

Coffee with a Cop breaks down barriers and allows for a relaxed, one-on-one interaction. It is our hope that community members feel comfortable enough to ask questions, bring concerns, or simply get to know your local police.

Driving - Just an observation while I have been driving around the town while off duty. There are still some people that are rushing about, on the phone, speeding, texting, going through stop signs, not indicating, and ignoring the road rules. Just remember the rules apply to everyone and we will be much safer if they are followed.

If you continue to break the road rules don't whinge when you get a ticket.

Remember: Do not Drink and Drive and you can Dob in a Druggie any time you like, by contacting Nowra Police or ringing Crime Stoppers.

As always, in case of emergency, call (000)
