**The Place Where We
Call HOME!**

**Good by Shoalhaven Paper Mill. If
we wonder why you've gone...**

**Perhaps ~ Electronic Media is WHY!
~ We buy it cheaper overseas!
~ We have lost the level Playing
field, they said was right for us!**

OR perhaps ~
**WE JUST NEED
TO BE MORE UNITED
in supporting
AUSTRALIAN MADE!**

On the 23rd July 2015 the Shoalhaven Paper Mill and Shoalhaven City Council hosted an event, that was to pay tribute to the present and former employees, of what I would consider to have been a very dignified, farewell for present employees and the reunion of past employees to say good by, to one of the best iconic business establishments in the Shoalhaven... with dignity!

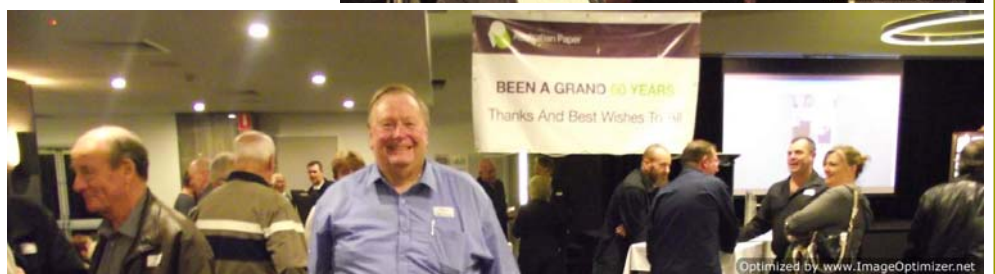

Representative from Nippon Paper, Current and Past Mill Managers, Shoalhaven Council's Mayor, Councillors and Shoalhaven City Council

Management Staff, together with Past and Current employees of

the Shoalhaven Paper Mill, met up in a cordial atmosphere and although bitterly disappointed for the closure of the Paper Mill and the loss of employment for the current employees, I believe we all have the appreciation for what we all enjoyed at the Shoalhaven Paper Mill and

we are saddened by the loss of the thought, that our future children, will not have the privilege to proudly say to others...

“I work at the Shoalhaven Paper Mill.”

As the cut off of attendees on the 15th July 2015 was 350 with a further 60 to cover for any cancellations, I was very proud, that my wife Kate and I was amongst, what I know was a meeting of very important people in our lives and as such, I respectfully apologise for

not naming the VIP's present as there were 350 VIP's in the room.

**I will remember
17/60th of the
life of the
Shoalhaven
Paper Mill!**

Vincentia Market Place

Leasing Opportunities

Click on the link for leasing

<http://www.woolworthsvincentia.com.au/>

31st July 2015 Hutchinson Builders, in despite of the inclement weather they have

experienced, they are getting on with what they do best... Constructing a wonderful Market Place for the Bay & Basin and far Beyond!

It is like a massive Steel and Concrete Jigsaw, being beautifully transformed into a Wonderful Completed Picture... For us to share!

BMD Construction came to the aid of the Invest Class at Vincentia High School by providing a piece of equipment to unload a pizza oven for Vincentia High School. In return the school provided a lunch for the staff on site. This picture was taken at the school and shows

some of the BMD staff and the Vincentia High School Principal, Mr Steve Glenday, far left of the picture.

BMD Construction over the next three months will be engaged in completing the road work around the construction site, where Woolworths are planning to have the Vincentia Market Place completed ready for shopping, December 2015... Weather Permitting!

There will be some necessary delay along Naval College Road (Jervis Bay Road), the Wool Road and the to be constructed Moon Creek Road, where indicated on the Google Map showing green roundabouts and red traffic lights at the entrance to the Leisure Centre and Vincentia High School. The existing entrance road to the Leisure Centre will be closed off to traffic when the new road has been completed.

The Jervis Bay Road and the Wool Road portion will be a dual carriage both Ways with Footpaths either side, extensive widening will take place and for the safety of the Construction Crews on site and the Public using these carriage ways during construction, you are encouraged to use caution, patience and consideration towards the construction crews and other users, who should also be taking care for you. Please keep in mind, this is only temporary and upon completion, our progress to and from this area will have all been worth the

short delays, we will be experiencing over the next three months!

The picture to the right has been taken near the entrance to Moona Creek Road and shows where the Dual carriage ways will be constructed and you should expect some delays during construction, as there will only be one lane open for the use of motorists both ways... **Please be patient and remember this is for us!**

BMD Construction are shaping the roads around the Woolworths Vincentia Market Place for our Safety and Convenience.

I believe the real appreciation of what BMD are constructing will not be known until the Market Place is up and running and we are using the facilities being constructed, that I believe will bring prosperity and local employment that will be enjoyed by the current and future residents of the Bay and Basin and will be a grand asset for the whole of the Shoalhaven and beyond!

These five photos were taken on Friday 31st July 2015 and should give you some idea of what the BMD outfit are constructing for us...

Photo 1: The current Roundabout at the cnr. Of the Wool Road and Naval College Road in progress.

Photo 2: Start of construction of the roundabout at cnr. Of Holloran Street & Moona Creek Road Bayswood.

Photo 3: Well underway on the BBLC Access road and Roundabout.

Photo 4: This photo shows where the Leisure Centre Access Road will be in relation to the Leisure Centre and the Car Park which will not be disturbed.

Photo 5: Construction work being carried out by BMD Field Operatives, who after challenging me, as why I was taking photos in the area, I was given the all clear and was given permission to take this photo.

Field operative Shannon Hopwood, or that was the name he used at the time, appeared quite in control of the situation at the Cnr of Wool Road and the Leisure Centre Access Road where communication access to the soon to be installed Traffic Lights were being interrogated. Operative Neal at the far left, was keeping a sharp eye on Operative Hopwood, while Hopwood had both hands on his shovels...Big Blue and Little Hands on!

**Thanks Guys...
You were great!**

The Sanctuary Point Men's Shed inc.

President : Ray Marcusson 4447 8634
 Secretary: Michael Flannery 0422 701 929

To obtain further information about the Mens Shed, you can find them on their website www.sanctuarypointmenshed.org Just click and enjoy!

SANCTUARY POINT EXTENDED SKATE PARK OFFICIAL OPENING

22ND AUGUST 2015 12.00AM TO 2.00 PM

Dennis & Kate Williams
3 Ridgeland Drive
SANCTUARY POINT NSW 2540

Dear Sir/Madam

Erowal Bay BMX Track

I refer to the recent "community discussion" held at the Erowal Bay Community Hall on Monday 1 June 2015 and subsequent correspondence regarding the proposed BMX Track at the Village Green Erowal Bay. After review of the comments received from the community, Council will now commence construction of the BMX track this year.

While there is strong support for the BMX track, concerns within the community on potential impacts has also been noted. As such, a 12 month trial period will be put in place to gauge the level of disturbance, if any. In addition to this, an outcome of the "community discussion" is that a group within the community will assist with adult supervision at the track on weekends during its trial period; to work towards minimising some of the concerns. A roster is being compiled by community members for the supervision roles.

If you need further information about this matter, please contact Donna Corbyn, Acting Social Infrastructure Planner, Recreation, Community and Culture Section on (02) 4429 3418. Please quote Council's reference 39547E

Yours faithfully

Donna Corbyn
Acting Social Infrastructure Planner
29/07/2015

Erowal Bay BMX Bike Track has been approved by Shoalhaven Council and construction will commence this year on a twelve month trial.

Congratulations are in order for Riley Simpson who first made his wish for a safe BMX track for all of the kids of Erowal Bay, secondly for Riley's parents, Kurt and Cassie Simpson for putting the proposal to Council, thirdly for Donna Corbyn's very well presented Council meeting conducted by her and Bernadette Sharpe on the 1st June 2015 and for Shoalhaven Council for approving the construction.

Great outcome for Council and Community working together...

EMERGENCY 000 - YOUTH HELPLINE 131 114 - KIDS HELPLINE 1800 551 800

Shoalhaven City Council

For most of us the weekend starts on Friday night, we come home, pat the kids, kiss the dog and start to relax. Some may get organized for a night out with the wife, partner or mates. There is no law against having a few cold ones before you go out (As long as you don't drive). Police are not against people having fun in the community including people who are out for the night having a good

time in our Pubs, Clubs and Restaurants.

So you've had a great night but unfortunately you may have had a little too much to drink. No great problem, you will either wobble off with the designated driver and get home, Use the wife or Husband for a crutch and walk home or even get the Club bus home. All that you will have in the morning is a sore head and an urge for an egg and Bacon roll. Or will you?

Some people, and I know it's a minority, after drinking become belligerent, quarrelsome or aggressive. Whilst in a Licensed Premises if you display any of these qualities or show signs of intoxication you will be asked to leave. If you are asked to leave you must go immediately. Do not stand there in front of the bouncers arguing the toss, just leave because you can be issued with a fail to quit Infringement notice that will cost you at least \$550. (A Magistrate can increase the penalty tenfold at Court up to \$5500)

If you have been asked to leave and you go to avoid the \$550 fine please do not hang about outside. If you do you could face another \$550 fine for Remaining in Vicinity. You must be at least 50m from the peripheral boundary's of the premises including the car parks. If you leave the area and then return within 6 hours you could again be fined \$550 for re-entering the vicinity of a licensed premise. You cannot go back inside the Licensed Premise for 24 hours.

Most people are aware of this however some people just cannot handle their liquor and after being asked to leave the premises they continue to argue. This is when the Police are called. Police attend and are confronted by intoxicated persons shouting reasons why they should be let back in or why they should remain etc. Instead of walking away when asked, sometimes the intoxicated person (male or female) takes it out on the closest Police Officer he/she can find. Starting with abuse and on occasions continuing with an assault. The incident can escalate resulting in someone getting arrested or further action which also results in having to go to Court. Believe me, one of the loneliest places on earth is the witness box at Court.

Remember, it is your actions whilst in public that determines how your night goes. It could cost the price of a meal and a couple of drinks or it could cost you much more in fines and Court costs. We are not the Fun Police as I have been called many times. If we were the Fun Police we would be wearing a clown costume and have a sad clown face painted on our faces. We do our job to protect you so you can go out next Friday night and beyond... Do not Drink and Drive.

Also remember that you can Dob in a Druggie any time you like by contacting Nowra Police or ringing Crime Stoppers.

As always, in case of emergency, call (000).

Non Emergencies contact Police Link on 131444 or your local Police to provide anonymous information call crime stoppers on 1800 333 000.
