1. When you read this current issue and if you would like a copy of previous issues, I can not send you a hard copy. However, If you have an e-mail address and telephone me with your details, I would be pleased to e-mail you a copy of past issues. Telephone: 02 4443 3394

2. I regretfully, apologise, that I am unable to provide you with the Incident Report figures, that I believed would be provided to me, for my Newsletter. It would appear that our Local NSW Police Force, also have a few of the problems, that our Shoalhaven Council, experience from time to time ... Not enough Resources! And not enough Funds! To provide basic information to citizens, who are trying to ... help our Local Community, to help Them! To Help Us!

Even so! I have decided to include the following information, within my Newsletter, as a **community service**, instead of a bipartisan agreement between our Local Police Force and the small contribution, that my Newsletter was hoped to contribute.

If you think something is **Wrong**, phone it **In** on the Police Assistance Line
131 444

It will be recorded as an Incident and passed on to the appropriate Police Station to follow up ... It will also become a Statistic and they can be used for the allocation of Police in your Local Police Precincts.

If it is an EMERGENCY call **000** and ask for **Police**.

or **CRIME STOPPERS** call **1800 333 000**

Remember ... If you want to stop Crime ... I mean ... You really want to stop Crime ... Commit yourself to a **SIGNED STATEMENT** and you will **REALLY** give your **POLICE** something to **WORK WITH!**

3. **SANCTUARY POINT** has One Mayor and Eight Councillors. They think, we are their **CONSTITUENTS!** Over the last Three Months (3 month) I have been given the **RESPECT** from four **COUNCILLORS** who have told me, that they do have a care, what happens in **SANCTUARY POINT**, they are Councillor Watson, Proudfoot, Fergusson and Miller ... Four out of Eight ... sorry ... "Nine," ... no wonder, our Town is needing, **COUNCILLORS** who believe, their constituents, of **SANCTUARY POINT** are important to them! If you think I am Wrong! Tell me! I am listening ... are You?

4. Over the last three months, have you, as a Concerned Citizen, contacted your local Council, or your local Police authorities, and reported an issue that you are concerned with? A Concerned Citizen would. A Concerned Citizen would persist in voicing their democratic right, if they believed, that they deserved a better **SERVICE** from those, who are charged with providing their services, to all of the **COMMUNITIES** in the **SHOALHAVEN** with the **PRIDE** and **DIGNITY** ... that We Believe!, that we all **DESERVE**.

5. Have you Seen a Difference in Our Town? ... “I Have”. But! It will take TIME! ... to return the PRIDE and DIGNITY that we had in SANCTUARY POINT when you could walk the street’s, the parks, the shopping centre, the boat ramps and the beaches and simply enjoyed the splendour of civilised, community living.

**Dob in a

it's Right!**

I still believe ... Our Shoalhaven Council, our Local Police Precinct, our Local Members of Federal and State Parliament, are all trying to HELP US! eliminate the un-desirable elements in our Town ... in all Towns of the SHOALHAVEN and as big as the SHOALHAVEN is, so becomes the enormous task of the “GOOD PEOPLE,” who are charged with the thankless task of maintaining Law and Order, our Local Council, who must provide a fair distribution of community services and assets, across the SHOALHAVEN and the un-tireless devotion, we receive from our Local Federal and State Members of Parliament. When do “WE” really say “ENOUGH” and TRULY throw “OUR” support behind those, who can make a difference, when they! ... also say “ENOUGH” on our behalf!! (DOB IN A WRONG ... YOU KNOW IT’S RIGHT).

6. Mayor Paul Green, has been privileged, with a seat in the State Upper House. He has also said that he will complete his Local Council Obligation ... Does that mean his SANCTUARY POINT obligations? Mayor Green did say, that he will arrange a meeting with the Concerned Citizens of SANCTUARY POINT ... Mayor Green... SANCTUARY POINT is waiting for YOU to convene that meeting! That, you did say, “you will arrange, after the election”? I Believe Mine Word, is Mine Word! ... What do you Believe?

7. SANCTUARY POINT is Our Town not SHOALHAVEN COUNCIL’S , they are a Local Government providing a service given to them by US! ... “We” are the People of the 49 villages, within the SHOALHAVEN ... If they can not do what “We,” have mandated them to do ... “We,” can vote them out, or in , at the next election ... or! “We,” can take our issues to a ... MUCH! Higher authority!

We do not want to “Agitate our Local Authorities” we just want them, to show us, that they are still ... in control!! And want us! To HELP THEM ... HELP US!

8. Address to the Citizen’s of SANCTUARY POINT To the “YOUTH’s” and “ADULT’s,” of Sanctuary Point What do you want?

A District ... SKATE BOARD PARK, that Shoalhaven Council are bent on pushing on SANCTUARY POINT, or perhaps, would you prefer to have a District ... BMX BIKE PARK, with a MINI PUT, PUT, Golf Course, that all FAMILIES could enjoy and at half of the cost of the proposed \$445 Thousand Dollars, that our LOCAL SHOALHAVEN COUNCIL are prepared to give us, for another SKATE BOARD PARK. We already have a Skate Park and we can see what has been done with that!! Council put that one in ... COME ON! ... Do We! or Council ... Tell us! what we want?? ... What Do You Want?? ... I Know what I would Prefer!! ... **\$445,000 Cleaning the mess in Sanctuary Point.**

9. Council Maintenance has shown that they can do a good job in Sanctuary Point. They have done a splendid job, on the approach to Sanctuary point and I have included, a few photos of what you can do, when you are given the resources to do the job... Right Right?

Danger Signs have been replaced on Cockrow Creek Bridge Pipe Line

Welcome to our town SANCTUARY POINT. This is the job that Shoalhaven Council, provided to our border town Old Erowal Bay ... Looks Great ...

Thank You!

This is another shot at what can be done, if you are given the inspiration to provide, a service, that quite frankly, we pay for ... They are called ... RATES! ...

Thank You!

10. This page, I dedicate to **SANCTUARY POINT** and what she can offer. From what my wife and I have seen, she can offer us a **LOT**. What you are prepared to see, I will leave to your better judgement ... Just remember! what we are prepared to accept ... so shall we be given??

We have a wonderful village, full of excitement and fascination ... if only you will take the time to smell the roses and step outside of the square, to see what we have in our Town, that we call **SANCTUARY POINT**.

We are Coastal Village People of the Shoalhaven District of Gilmore, in the State electorate of the South Coast. Two very fine Ladies, have given us the privilege, to represent us in the Federal and State Parliament's, they are Joanna Gash Federal MP and Shelley Hancock. State MP, these Ladies have earned their seat's in Parliament, because their constituents believe they are the very best, to support us in their electorates. They have represented us, for many years and they continue to support our aim for a **FAIR DEAL ... for SANCTUARY POINT**.

Our Local Council of the Shoalhaven, is looking after a very big district and at times, I wonder if the area is too much for one Council to handle ... but! Who am I to question the integrity of our Local Council ... they have many employees , to do their bidding, there is only my wife and I to do our bidding! But! If you think that you are also a Concerned Citizen of **SANCTUARY POINT** ... and have not already done so! Phone me ... and give me your **SUPPORT** .. I will record your details and keep you up to-date with my Newsletters.

This is SANCTUARY POINT

Why! Would you want to Destroy It ?

11. I have given up MY SAY and entrust the future in SANCTUARY POINT to the wonderful Citizens of our town, that I called SANCTUARY POINT. I have tried to inspire those in our town, who believe, our town, is still a Sanctuary, where PRIDE and DIGNITY does prevail and we do care what goes on in our Town.

My wife and I have spoken about the lost PRIDE and DIGNITY in SANCTUARY POINT, the un-kept beauty of our Town, the deterioration of the local assets, the criminal activities, the dangerous pot holes, the proposed building of structures, that have been vocally debated against, and the heated debates and requests for a fairer go! For our town SANCTUARY POINT. Tell me just one thing! Have we been barking up the wrong tree? Because Kate and I can leave you with this thought ... Despite our search for the Lost Pride and Dignity in our Town, I was given permission to photograph and include in our Newsletter, this group of wonderful citizens of our town, enjoying the splendour of what our town has to offer all of us! ... if only we can open our eyes, to the real future of our Town ... I give you, what was ... what is and what will be our future ... I give you the PRIDE and DIGNITY ... of our TOWN SANCTUARY POINT ... That which I thought was LOST ... is but! now FOUND! And I give YOU! the real PRIDE and DIGNITY of SANCTUARY POINT in this photo.
