**HAPPY
MOTHERS
DAY**

**13th May 2018

of May**

Don't
Forget

On 25 April 2018 we will gather at the Australian National Memorial (ANM) situated next to the Villers-Bretonneux Military Cemetery just north of the village of Villers-Bretonneux, France. The ANM is the site of an intense battle fought exactly 100 years before as part of wider efforts to halt a German spring offensive which was threatening to win them the war.

Throughout early April, in 1918, Australian units helped defend Villers-Bretonneux from this onslaught, but at dawn on the 24 the Germans attacked and captured the town. Leading the British counter attack, the Australian 13 and 15 Brigades enveloped the town and successfully cleared it of Germans on 25 April, the third anniversary of the Anzac landings at Gallipoli.

The Commemoration, on 25 April 2018, not only commemorates this remarkable action which effectively ended the German offensive launched a month prior but also marks the 103rd anniversary of the Anzac landings at Gallipoli.

One of the nice things about being the Editor and Publisher of this Newsletter, is that when I believe someone has done well and with respect, I can give credit to those who have done well! On this occasion I respectfully congratulate President Jeff Bament, Hon. Secretary Laraine Bament and other members of the St Georges Basin RSL Sub-Branch for the dignified and respectful ANZAC SERVICE, given in honour of those who gave so much and of who! **We will always REMEMBER THEM!**

My Petition

WE NEED YOUR SUPPORT TO BUILD OUR BRIDGE. PLEASE SIGN AND SHARE MY PETITION TODAY.

As your local representative one of my highest priorities is to deliver a new Nowra Bridge.

I secured \$10m in funding for early planning works to get this project underway.

Building the Bridge is part of my local transport plan to improve road safety and links between the North and South of Nowra, increasing productivity and delivering more local jobs.

I've also secured more than \$13m for the Far North Collector Road as a first step in preparation for the construction of the new Nowra Bridge. This road will commence on Illaroo Road and join up with Moss Vale Road, west of the Princes Highway reducing traffic congestion and connecting communities when the new bridge and road works begin.

There is more to do and I need your support to Build Our Bridge.

For nearly five years I have called on the State Government to finalise plans for our bridge. We need action now so we can Build Our Bridge!

You can be a part of the campaign by taking a moment to sign my petition below.

Thank you for your support. - Ann Sudmalis MP

By signing this petition and sharing on Facebook you can help be part of the solution.
Help me get the new Nowra Bridge built!

MEDIA RELEASE

23 April 2018

COUNCIL URGED TO GET BEHIND CAMPAIGN FOR SECOND SCHOOL

A notice of motion before Shoalhaven City Council this week is seeking support in the fight to secure an additional education facility for the Southern Shoalhaven with the Member for South Coast Shelley Hancock urging Councillors to get behind the important campaign.

“I strongly urge Councillors to consider the great benefits a second educational facility will bring to the Southern Shoalhaven and vote in support of the motion and the local community,” Mrs Hancock said.

“Any help we can get in this fight is welcome and I will continue to work with the community and Council to achieve a second education facility for the families of the Southern Shoalhaven.

“I’d like to thank Councillor Mitchell Pakes for bringing this matter before Council and for his support of our campaign.

“With the significant population growth forecast for the Milton Ulladulla region it is vital we act to future-proof the area’s educational needs.

“The petition I launched in October last year calling for the NSW Government’s purchase of the former Shoalhaven Anglican School site on Croobyar Road has since garnered more than 8,000 signatures, showing the great community support this issue has.

“There are more signatures collected every day and the aim is still to reach 10,000 signatures and have the issue raised on the floor of the NSW Parliament.

“I welcome the motion before Council, which essentially seeks to retain the site’s current zoning and would not allow it to be used for anything other than a school.

“The motion also specifically calls on Council to support the provision of an additional educational facility within the Southern Shoalhaven, to support the campaign to secure the school and if the motion passes any proposal to alter the site’s zoning will be required to go before a full meeting of Council for consideration.

“I ask that Councillors consider supporting this important motion, which will be a step in the right direction to reassuring the community that their Councillors will join them in this fight and help to provide a future educational facility for the Southern Shoalhaven,” Mrs Hancock said.

It's almost time for this year's Coffee with a Cop.

Are you excited? I know I am. If you were unable to participate in last year's extravaganza you should make every attempt to get to this years. Why you ask? Well I'll tell you. It is your opportunity to speak with your local Police in relation to any topic you like. *Coffee with a Cop* provides a unique opportunity for community members and the rest of you to ask questions and learn more about the Police work in Shoalhaven neighborhoods.

General Duties Officers as well as Police Officers specializing in Domestic Violence, Youth Liaison, Traffic and Crime Prevention will be attending. District Inspectors will also be available. Bring a coffee and come to Jellybean park in the Nowra CBD on Tuesday the 8th of May and ask that question that has been niggling you such as how do I get the inspiration every week for "On the Beat"?

BizKeys:

BizKeys allows business premises location, key holder, security and hazardous material information collection in such a way that authorised users can access it from anywhere on the NSW Police computer network. Therefore, if you have a business, and your information is not on BizKeys you should think seriously about doing it.

The information could help Police contact you if you have a fire, a break in, a smashed window or even storm damage. The sooner you know about a problem the sooner you can get it fixed. Also we would like to know if there is any hazardous material around the place so Police can take the appropriate action in a crisis.

If you want to know more about BizKeys or require an application form, email me on jory1ant@police.nsw.gov.au and I will get it sorted.

That's all the excitement for this week...

Remember: Do not Drink and Drive and you can Dob in a Druggie any time you like, by contacting Nowra Police or ringing Crime Stoppers.
