**We can build a boardwalk through the Mangrove Trees at the Lady Denman Park... So why doesn't someone see the potential to build a boardwalk through the Ray Brooks Reserve and Around Redhead Point, Sanctuary Point... Someone saw the potential to build an Ambulance Station to cover the Bay & Basin and a Police Station to cover the Bay & Basin from Sanctuary Point.**

**And while someone in our Council still contemplates some improvements, proper barbeque shelters and somewhere to sit under to have a meal, as they do in so many of the other locations in the Shoalhaven, we are amazed what others have achieved for their councils in other shires, we have visited in New South Wales and especially on the South Coast!**

*It was an honour for Kate and Myself to have been asked to represent the Hon. Shelley Hancock MP at the Vincentia High School on the 9th April 2019 for their 2019 ANZAC DAY CEREMONY.*

*But it was more reassuring, to know that the memory of our ANZAC's and our Defence Men and Women is very much in the most sincere and respectful control of the Pupils at Vincentia High School and the Teachers and Defence School Mentor who assist them to remember... LEST WE FORGET.*

### Hi, I'm Katrina Hodgkinson – Dedicated to delivering for you.

For more than 18 years I served as a Member of Parliament in regional NSW, and now I'm asking for your support as I run for Federal Parliament. I've got a deep love of regional communities and I've got a proven track record of delivering for my constituents. I'd be honoured to earn your support and make sure local voices and local issues get heard on the Federal stage.

FEDERAL CANDIDATE FOR GILMORE

During my time as a NSW Government Minister I worked hard for communities in the Gilmore electorate by

- ✓ relocating significant Department of Primary Industries – Fisheries jobs out of Sydney to Nowra
- ✓ bringing an Offshore Artificial Reef to the Shoalhaven
- ✓ overseeing the installation of new fish cleaning tables throughout the South Coast

I've proven that I will always put my community first, even if it means crossing the floor of Parliament. So if you want someone who will always put you first,

## From On The Beat - NSW Police Shoalhaven Crime Prevention

### with Senior Constable Anthony Jory

Way back in the olden days when there were no police, it was up to the community to catch and deal with the offenders who committed a crime. In Ye olde England it was a common practice for the public to chase down and apprehend the offender. This practice was called the “Hue and Cry”

Once a felony was discovered and the Hue and Cry went out such as “Stop Thief” then other members of the community were bound to take part in the apprehension of the offender. Once the crook was apprehended he/she was punished.

There were a number of punishments in those days ranging from fines, being placed in stocks, mutilation or death. You only have to watch five minutes of Game of Thrones to get the gist of how it was in those medieval days. Lucky for all of us that we have become more civilised as a community and we now have a police force full of dedicated officers who are chasing down the crooks, however we still need people to report the crimes. You do not need to scream out “Stop Thief” any more however you do need to do something.

There are a number of ways to report incident to police. In fact, we are almost spoilt with choices.

**Ring “000”** - This one is pretty much self-explanatory. If you require urgent assistance from either ambulance, fire or police, ring “000”. Try to remain calm and supply as much detail as the operator requests. Remember, the operator is dispatching emergency services while you are speaking to them so don’t think that all the questions being asked will slow the process. The operators need as much info as they can.

**Contact your local police station** - If you do not require an immediate response by police or you have a minor complaint you can contact your local police station. Just get on the Google, type in the name of the police station and boom, the number appears as if by magic. As they say. Let your fingers do the walking.

**The Police Assistance Line** - The Police Assistance Line (131444) operates 24 hours a day, seven days a week. If you are a victim of a crime, other than life threatening or time critical emergency situations, you should contact the Police Assistance Line (131 444). Phoning 131 444 allows you to report crime over the phone. Once your report is completed by a customer service representative, your information is immediately available to your local police.

If the crime you wish to report cannot be taken over the phone, due to its serious nature, the operator will assist you by advising where you can go to make the report, or by arranging for police to come and see you. When a police response is required, Police Assistance Line (131 444) will arrange for police officers to attend. The Police Assistance Line (131 444) can also assist you with general police inquiries. By phoning Police Assistance Line (131 444), rather than your local police station, you are freeing up police officers who could otherwise be on the street actively preventing and investigating crime in your community.

**Remember: Do not Drink and Drive and you can Dob in a Druggie any time you like, by contacting Nowra Police or ringing Crime Stoppers. As always, in case of emergency, call (000 )**

**Non Emergencies contact Police Assistance Line on 131444 or your local Police to provide anonymous information call crime stoppers on 1800 333 000**
