Long weekend 30h September 2018 Shoalhaven Council had Palm Beach at Sanctuary Point cleared of the Wrack (Dead Seaweed) and it looks wonderful and it was very nice seeing one Victorian visitor enjoying the small contribution that shoalhaven council gave to Sanctuary Point on the long weekend.

What about the Staircase with one hand rail, the Barbeque shelter that blew over in the strong wind, the Boardwalk to allow safety to the disable, mums with prams and bike riders to manoeuvre on the Basin walking track around Redhead Point! And what about the dead and dying trees and the ones falling across the walking track, or almost on their way to falling... Why would you expect a large crowd at Sanctuary Point during the peak holiday periods, when all you do is scrape the beach with a bob cat (tractor) and pile it up against the cliff face at Redhead Point... Beach sand, Wrack and all of whatever foreign bodies, that may have been disposed of on the beach!!!

I love Sanctuary Point, it's my home town... Would you want your town treated the same???

The latest **employment data show's** that **youth unemployment has halved** in the **Shoalhaven and Southern Highlands (the ABS join the Shoalhaven and Southern Highlands together)** since the introduction of the \$20 million Regional Jobs Investment Package, the Youth Jobs PaTH program, the Gilmore Apprenticeship Challenge, the Local Employment Initiative Fund and hosting a series of employment forums, **my commitment to getting more people into work** has delivered real results.

Youth employment now sits at 85.9%, up from 70.7% this time last year, and our **general employment is now at 92.2%**.

We have seen **an increase of over 3.8% in the total number of apprentices** undertaking training when compared to data in 2017.

In July of this year the economy created 19,300 full-time jobs. The Government will continue to strive to increase employment in Australia.

**STATE'S MOST POPULAR SENIORS CHRISTMAS CONCERT
COMING TO NOWRA**

Seniors in Nowra will soon have the opportunity to sing along to their favourite carols at the Seniors Christmas Concert extravaganza this November.

Member for South Coast Shelley Hancock announced the highly anticipated concert, which will feature a range of talent including headline performer Damien Leith.

“Securing the Seniors Christmas Concert is a win for our local seniors who will enjoy the benefits of a full-scale production and fun day out leading up to the Christmas season,” Mrs Hancock said.

“The concert will be a free event, offered exclusively to seniors. Tickets are available from October 2 and I encourage all local residents aged 60 years and over to secure their tickets early so they don’t miss out.”

Minister for Ageing, Tanya Davies said the Seniors Christmas Concert tours different locations each year, to ensure as many seniors as possible can attend.

“These concerts are a great way for seniors to share in the spirit of Christmas,” Mrs Davies said.

“It is important, especially at Christmas time, for seniors to make new friends, get together with old ones, remain socially connected and be valued for their lifelong contribution.”

The Nowra concerts will be held at the Shoalhaven Entertainment Centre on Friday 30 November, starting at 10.30am and 2pm. Concerts are also being held in Albury and Lismore.

The 2018 Christmas Concerts are an initiative under the NSW Ageing Strategy 2016-2022 and have been held since 2013, replacing the Premier’s Christmas Gala Concert in Sydney.

Construction commenced on the 27th July 2018 with a completion date in September 2018, however due to additional reconstruction work required when the subterranean condition was exposed and considered inappropriate for the roundabout, the completion date was reset for the 14th October 2018 weather permitting.

PERSONAL SAFETY:

Lately I have been going on about the need for you to take steps to ensure the security of your valuables by removing them from your car, locking the car and your house etc. I hope that everyone is aware of this now so I can move onto the topic of personal safety.

As with your property, if you provide an opening to a crook he/she will take it. For example, you take a couple of hundred dollars out of the ATM in front of a number of people on a busy footpath. You openly place the money in your purse and then walk off. As your walking you see in the corner of your eye someone following you. You duck down a side alley which has no pedestrian traffic or proper lighting. The footsteps behind you are getting louder and seem to be getting faster, you want to run but your arthritis won't allow it. You know there is a lot of money in your bag, you need it to pay rent. What would you do without it? How will you survive the week?, what will happen if you get robbed?. At this point it would be fair to say that you are feeling more than anxious. But the scenario does not need to play out as long as you are aware of some simple points such as;

PERSONAL SAFETY

*Keep cash and valuables to a minimum. * Always keep your personal belongings close to your body and never leave them unattended. * If someone does attempt to take your property, don't resist. * Have your keys ready before you get to your home or car. * Be aware of your surroundings.

BANKING

Vary the routine of your banking: days, times and branches. * Protect your password and PIN. * Don't display cash in public. * Never carry large sums of money.

It is a sad fact that criminals target people who they consider vulnerable, so it is important to ensure you have taken every precaution to reduce the chance of being targeted

That's all the excitement I have for you today

Remember: Do not Drink and Drive and you can Dob in a Druggie any time you like, by contacting Nowra Police or ringing Crime Stoppers.
