*“Thank you for Supporting the
Shoalhaven Paper Mill!”*

*All of the employees at the
Shoalhaven Paper Mill are moved by
the support of the many, who have
heard their call, to help keep the
Shoalhaven Paper Mill in Bomaderry.*

How now, can you help save the Shoalhaven Paper Mill?

We all can help save Paper Manufacturing in the Shoalhaven, by following the Shoalhaven City Council pledge to use Australian Made Paper and simply buying Australian made paper such as the Security and Specialty Products made at the Shoalhaven Mill.

Shoalhaven Paper Mill is the only Specialty Paper Mill in Australia supplying customers with a diverse range of products for the Australian and overseas-markets. To satisfy available markets, Shoalhaven Paper Mill has developed a multitude of specialty products, which include:

Security grades and secure document papers ~ Registered watermark grades
~ Coloured papers Embossed grades ~ Quality text cover and writing papers.

The following link when you click on it will take you to a petition set up by the CFMEU and a letter of further explanation, from Jack Evans, who is the Nowra Sub Branch Secretary at the Shoalhaven Paper Mill. The petition is being sent to the Hon Barnaby Joyce MP to encourage him to rally the Federal Government to use more than the 12% of the present Australian Paper being purchased, of the 50 to 60 thousand tonnes of paper used annually by the Federal Government, before another Australian Icon company and Aussie jobs are lost to overseas imports...

The Petition cut-off date has been extended and your name added to the thousands already collected, will send a definite message, that it is time to now start looking after Australian Businesses, to encourage a strong workforce in Australia, that will allow everyone in Australia, to experience the satisfaction of knowing that you are contributing to a workforce, helping to make Australia a strong viable place, where the life style is what we all want for our love ones!

*Taking a quote from a Great American President, allow me to also say "My fellow Australians, ask not what your country can do for you, ask what you can do for your country," and this also applies to the Federal, State and all of the Local Governments in our Country... You know the one, the one we all call **Australia!***

Thank You!

Vietnam Veterans Jervis Bay Fundraising Golf Day 2014

Was held at the splendid St Georges Basin Country Club Golf Course, with a clear sky all day, to follow the ball. Even though the night before, a good soaking of the course made it a bit wet under foot, it made no difference for the 120 golfers who turned up for another very successful fundraising golf day put on by the Vietnam Veterans Jervis Bay, not only for the golfers in attendance... But! Also in Memory of Keith Murrell, who passed away during the year and who helped organise so many of the past events... In true Mateship two words on the poster with his photos, said it all "OUR MATE" and an empty chair was left vacant in memory of him all day!

Thank You Shoalhaven City Council

What you have done at MacGibbon Parade Old Erowal Bay has not just completed a maintenance job long over due, you have responded to a concerned family with eight children, who no longer have to live in fear!

Bush fuel has now been replaced with clear walking tracks. Thank You!

Please support 8 years old Riley Simpson from Erowal Bay, he has a wish for all of the local kids and he needs your help! For a...

PROPOSED BMX TRACK FOR EROWAL BAY

I, Riley Simpson, along with my parents, Kurt and Cassie Simpson and Dennis Williams, editor of Concerned Citizen newsletter, are putting a proposal forward to all Erowal Bay citizens. I am 8 years old and my friends and I have no where safe to ride our bikes in Erowal Bay. My parents take my brother and I to Basin View BMX track, as we love to ride our bikes over jumps. This takes a lot of mum and dad's time and it's also far away from home. We would like to have our very own BMX track in Erowal Bay for all the local kids to enjoy. As you can see in the photos below some of the kids have already tried to put a bike track together, however, it is on the side of the road

and at the corner of a cross road. My mum and dad are always very worried about me being hit by a car when riding my bike here.

These are some pictures of what we would love to achieve for the kids of Erowal Bay.

Thank you for your time,
Regards,
Riley Simpson

The location of our proposed BMX track is yet to be decided, we have a few suggestions as pictured below.

Site 1: Off Naval Parade

Site 2: Corner of Killarney & Kallaroo rd

Site 3: Erowal Bay Tennis Courts (The Village Green)

We are looking for lots of feedback and community support, we are very open to everyone's ideas. If you have any questions or suggestions you can contact Kurt or Cassie Simpson on 0427377786 or Dennis or Kate Williams on 4443 3394 Thank You!

C'mon Mate!

Sanctuary Point has many Parks, Ovals, a Skate Park, Reserves and a Public Beach... Vincentia has a Leisure Centre, wonderful beaches and coastal Walking Tracks... Huskisson has a great Playing Field and space for a Monthly Community Market, White Sands and Voyage Park Public Swimming Pool... Old Erowal Bay has Curves Fitness Centre and they all join together with a safe bicycle walk way... Erowal Bay has a general store and petrol bowsers and a little park next to a now defunct Fire Station building... So what have we done wrong?

We are not asking for an expensive Athletics Oval, or a Public swimming Pool. Or a Leisure Centre, or a Skate Park, we are only asking for a place where we can take our kids locally to a safe place where they also can have a bit of safe fun, like they do in the other Villages of the Bay and Basin... Is that asking too much?

If you believe you are a Concerned Citizen of Erowal Bay, please phone us and together we can Lobby our Council and work together to establish a BMX TRACK IN EROWAL BAY... For our Kids!
